CHAIRMAN'S LETTER

Dear Shareholder,

On behalf of the Board of Phoenix Gold Limited (**Phoenix or Company**), I am pleased to invite you to attend a General Meeting of the Company at the Celtic Club, 48 Ord Street, West Perth, Western Australia on Tuesday, 23 June 2015 at 10.00am and to vote on the enclosed Resolutions.

On 1 May 2015 the Company announced the formation of a strategic alliance with Evolution Mining Ltd (ASX: EVN) (**Evolution**) covering the Broads Dam, Kundana North, Carbine and Zuleika north project areas. The agreement will enable both parties to work together on an accelerated exploration programme on the Company's highly prospective Zuleika shear zone in the heart of the Western Australian Goldfields.

Evolution has agreed to subscribe for up to a total of 105.9 million fully paid ordinary shares in Phoenix at an average price of 8.5 cents per share, which represented an 18% premium to the 10 day volume weighted average price of Phoenix shares at the date the transaction was announced. The total subscription will raise A\$9.0 million and at least 60% of these funds will be directed into exploration and evaluation activities within the Zuleika shear.

The first tranche of 44 million shares was settled on 8 May 2015, giving Evolution a 9.4% stake in Phoenix. Resolution 1 seeks to ratify this placement which was made using the Company's placement capacity under ASX Listing Rules 7.1 and 7.1A.

Approval of the second tranche is sought in Resolution 2, which will, subject to the other conditions precedent noted herein being satisfied, result in Evolution acquiring a further 61.9 million shares giving Evolution a 19.9% stake in Phoenix.

Phoenix has over 15 kilometres of strike immediately north of the Kundana gold field that remains largely untested. This tenement package has always been considered by the Directors to be a core project within the Company's stable. Funds from Evolution will be used to accelerate work on this area, which has more recently become one of the most active and successful exploration areas in close proximity to Kalgoorlie.

We also look forward to working closely with the Evolution team as we continue the search for the next significant gold discovery in the WA Goldfields. As such, the Board unanimously recommends that shareholders vote in favour of the resolutions contained in this Notice of Meeting and each of the directors who hold shares in the Company intend to vote in favour of these resolutions.

If you have any queries regarding this Notice of Meeting, please call Ian Gregory, Company Secretary on +61 8 9021 2704 at any time between 8.30am to 5.30pm WST, Monday to Friday.

On behalf of the Board I am pleased to commend the enclosed Shareholder Resolutions to you and thank you for your continued support for Phoenix.

Dale Rogers
Executive Chairman

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared for the information of Shareholders in relation to the business to be conducted at the Company's Meeting to be held at the Celtic Club located at 48 Ord Street, West Perth, Western Australia on **Tuesday, 23 June 2015** commencing at **10.00am (WST)**.

This Explanatory Statement should be read in conjunction with the Notice of Meeting. Capitalised terms in this Explanatory Statement are defined in the Glossary.

1 BACKGROUND TO RESOLUTIONS 1 AND 2

As announced to ASX on 1 May 2015, the Company has entered into a binding Share subscription agreement with Evolution pursuant to which Evolution agreed to subscribe for a total of 105,856,900 Shares at an average price of 8.5 cents per Share (**Evolution Placement**) – equivalent to a total investment of A\$9 million and a 19.9% holding in the Company (**Subscription Agreement**).

A summary of the key terms of the Subscription Agreement are detailed in Schedule 1 to this Explanatory Statement.

In accordance with the terms of the Subscription Agreement, the Shares were to be issued in two tranches. The first tranche consisted of 44,000,000 Shares (of which 6,413,099 were issued without Shareholder approval pursuant to Listing Rule 7.1, and 37,586,901 were issued without Shareholder approval pursuant to Listing Rule 7.1A) which were issued on 8 May 2015 at an issue price of 7.5 cents per Share to raise A\$3.3 million (before costs) (**T1 Shares**). The second tranche will consist of 61,856,900 Shares at an issue price of 9.2 cents per Share to raise an additional A\$5,690,835 (before costs) (subject to certain conditions precedent including Shareholder approval under Resolution 2) and is structured so that Evolution will attain voting power in the Company of 19.9% (**T2 Shares**).

The Company intends to apply the funds raised under the Evolution Placement as follows:

	Description	Amount (A\$ million)
Source of funds	Tranche 1	3.3
	Tranche 2	5.7
	TOTAL SOURCE OF FUNDS	9.0
Use of funds	Expenditure obligations in relation to the Zuleika Shear Gold Project	5.4
	General working capital	3.6
	TOTAL USE OF FUNDS	9.0

Evolution has expressed its interest in assisting development and accelerating exploration of the Company's Zuleika Shear Gold Project due to the close proximity of this project to the assets that Evolution is due to acquire from La Mancha Group International BV (**La Mancha**) including the Mungari processing plant, the adjacent high-grade Frog's leg underground mine and the White Foil open-pit gold mine.

The subscription of Shares by Evolution under the Subscription Agreement is the first part of an overall intention of the Company to build and maintain a strategic alliance with Evolution. This strategic alliance will include the opportunity for the Company to benefit from Evolution's technical and strategic experience through Evolution's commitment to review Phoenix's operation and provide recommendations to the Board and through Evolution's nominee director who will be appointed to the Board following completion of Tranche 2.

The issue of the T2 Shares under the Subscription Agreement is conditional on a number of conditions precedent, including the following:

- (a) Evolution obtaining approval from the Foreign Investment Review Board in respect of the acquisition of T2 Shares by Evolution;
- (b) the Company obtaining Shareholder approval for the issue of T2 Shares to Evolution;
- (c) the Company obtaining an ASX waiver from ASX Listing Rule 6.18 in respect of the anti-dilution right or confirmation from ASX that the grant of the anti-dilution right will not contravene ASX Listing Rule 6.18 (details on the anti-dilution right are set out in the Schedule to this Explanatory Statement);
- (d) the spot price for gold as quoted on Bloomberg does not fall below A\$1,300 per ounce at any time during a day for three consecutive days between (and including) the execution date and the completion date for Tranche 2;
- (e) the Company complies with certain restricted actions specified in the Subscription Agreement between the execution date and the completion date for Tranche 2;
- (f) the Company's warranties as set out in the Subscription Agreement are true and correct and not misleading or deceptive as at the execution date and the completion date for Tranche 2;
- (g) no material adverse change occurring or is reasonably likely to occur between (and including) the execution date of the Subscription Agreement and the completion date for Tranche 2; and
- (h) no temporary restraining order, preliminary or permanent injunction or other order is issued by any court or other material legal restraint or prohibition, preventing or delaying completion of Tranche 2 is in effect at 9.00am on the completion date for Tranche 2.

As at the date of this Notice of Meeting, each of the conditions precedent to the issue of T2 Shares remains outstanding.

2 RESOLUTION 1 – RATIFICATION OF PAST PLACEMENT OF SHARES TO EVOLUTION

2.1 Background

On 8 May 2015, the Company made a placement of 44,000,000 Shares (the T1 Shares) to Evolution in accordance with the Subscription Agreement.

The purpose of Resolution 1 is to ratify the issue of:

- (a) 6,413,099 Shares to Evolution, which was undertaken by way of placement to Evolution under the Company's placement capacity pursuant to Listing Rule 7.1; and
- (b) 37,586,901 Shares to Evolution, which was undertaken by way of placement to Evolution under the Company's placement capacity pursuant to Listing Rule 7.1A which was approved by Shareholders at the Company's previous annual general meeting held on 27 November 2014.

2.2 ASX Listing Rules

Listing Rule 7.1 provides that a company must not, without prior approval of shareholders, issue or agree to issue Equity Securities if the Equity Securities will in themselves or when aggregated with the Equity Securities issued by the company during the previous 12 months, exceed 15% of the number of ordinary securities on issue at the commencement of that 12 month period. Listing Rule 7.4 states that an issue by a company of securities made without approval under Listing Rule 7.1 is treated as having been made with approval for the purpose of Listing Rule 7.1 if the issue did not breach Listing Rule 7.1 and the company's members subsequently approve it.

Listing Rule 7.1A provides that in addition to issues permitted without prior shareholder approval under Listing Rule 7.1, an entity that is eligible and obtains shareholder approval under Listing Rule 7.1A may issue or agree to issue during the period the approval is valid a number of equity securities which represents 10% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period as adjusted in accordance with the formula in Listing Rule 7.1. Listing Rule 7.4 provides that a company may reinstate its capacity to issue up to an additional 10% under ASX Listing Rule 7.1A if shareholders ratify the previous issue of securities.

Accordingly under Resolution 1, the Company seeks from Shareholders approval for, and ratification of, the issue of a total of 44,000,000 Shares to Evolution, comprising the following:

- (a) 6,413,099 Shares so as to limit the restrictive effect of Listing Rule 7.1 on any further issues of Equity Securities in the next 12 months; and

2.3 Effect on capital of the Company

- (f) A voting exclusion statement for Resolution 1 is included in the Notice of General Meeting preceding this Explanatory Statement.

2.5 Board Recommendation

The Board is not aware of any information not set out in this Explanatory Statement that would be reasonably required by Shareholders to make a decision in relation to Resolution 1.

The Board believes that the ratification of the issue of the T1 Shares is beneficial for the Company. Each of the Directors intend to vote any Shares held by them in favour of Resolution 1 and recommend that Shareholders also vote in favour of Resolution 1 as it allows the Company to retain the flexibility to issue further securities representing up to 15% of the Company's share capital during the next 12 months under Listing Rule 7.1, and up to the 10% annual placement capacity under Listing Rule 7.1A without the requirement to obtain prior Shareholder approval.

(g) A voting exclusion statement for Resolution 2 is included in the Notice of General Meeting preceding this Explanatory Statement.

3.5 Board Recommendation

The Board believes that the proposed issue of the T2 Shares is beneficial for the Company and recommends Shareholders vote in favour of Resolution 2 because the funds to be provided by Evolution from the issue of the T2 Shares and the resulting strategic relationship with Evolution will enable both parties to work together on an accelerated exploration programme on the Company's highly prospective Zuleika shear zone in the heart of the Western Australian Goldfields. It will also allow the Company to retain the flexibility to issue further Equity Securities representing up to 15% of the Company's share capital during the next 12 months.

For your vote to be effective it must be received by 10:00am (WST) Sunday, 21 June 2015

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

Appointment of Proxy

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.
